BOARD ASKED TO FIX ITS POLICY

Requested by Attorneys Today to
Determine Whether Trunk Line
Roads Will be Improved

MANY PETITIONS PREPARED.

Four Roads, One Cement, Ad-
vertised For Bidders Feb. 3.—Coun-
ty to Keep Heating Plant

The county commissioners were asked today by attorneys representing various groups of petitioners for new highways, to determine what their policy will be—whether they would improve the trunk lines of the county during 1920 or the connecting roads.

This request was made because attorneys have petitions for all sorts of roads and, if they learn what the course of the commissioners will be, there will be no waste of time in preparing and filing petitions which will not be acted upon.

The question of what the state highway commission will do still figures in the question, because the county commissioners do not wish to improve under the three-mile law any roads which the state commission may take over.

The commissioners ordered three roads advertised for bidders yesterday afternoon and had other considerations today. The board was also scheduled to let the contract for county poor farm supplies at two o'clock this afternoon.

The commissioners were reported this morning to have agreed to abide by the wishes of the Rush County Farmers association and not sell the abandoned county heating plant standing back of the jail. They had advertised the boilers for sale, but the farmers' association requested that the county not dispose of them so that they could be used for testing seed wheat. They were put to this use for the first time last fall and were found to be excellently suited for the work.

The commissioners intended that the boilers should be sold by receiving sealed bids, but through a mistake the advertisement read that the sale would be by auction.

The county commissioners yesterday afternoon, after allowing all of the claims, advertised four roads for letting Tuesday afternoon, February 3, and appointed viewers on another.

Contracts will be let on February 3 for the following roads, providing bids within the estimates are submitted: The George H. Meyer et al highway, the John M. Whissinger et al highway, the Thomas K. Mull et al highway and the William B. Crane et al highway.

John H. Frazer of this city and William P. King, together with the county engineer, Frank Catt, were appointed viewers for the Fred Goddard et al highway. They were ordered to report Monday, Feb. 2.

If the contract for the Crane road is let and it is constructed, a great improvement will result, because the dangerous crossing of the Big Four railroad just north of Milroy will be eliminated. The road is to be constructed of stone, according to the plans and specifications. It will join the Arz Bennett road, at the southern edge of Milroy and run three miles north along what is known as the Milroy pike, which follows the Big Four railroad most of the way to Rushville.

Instead of crossing the Big Four just north of the railroad bridge and dipping down a hill and crossing an old iron bridge just before entering Milroy, the course of the new road, according to the plans and specifications, will continue on the east side of the railroad into Milroy, where it will cross the railroad. The plans call for a modern concrete bridge to be built parallel

NEW POLICEMAN IS NAMED

Charles Pea is Appointed and Be-
gins Duties Immediately

The police committee of the city council appointed Charles Pea a member of the police force yesterday, and Policeman Pea took up his duties immediately. The police force has been short for several days, as Policeman Newhouse resigned January first, and soon after the resignation of Policeman Lemons was sent in. The council meets tonight, and the police question will be taken care of and it will be decided whether another policeman will be appointed to fill the other vacancy.

THOMAS J. HUMES DIES EARLY THIS MORNING

Former County Commissioner and
Retired Farmer Expires at
Age of 72 Years

IN POOR HEALTH FIVE YEARS

Thomas J. Humes, aged 72, died this morning at 6:30 o'clock at his home, corner of Eighth and Perkins street, after being in poor health for the last five years. Mr. and Mrs. Humes only recently moved to their new residence, from East Second street.

The deceased was a retired farmer, having spent all of his life as an agriculturist. He was a former member of the board of county commissioners. Five years ago last August he suffered a stroke of apoplexy while in Newcastle on business and never regained his health.

Besides the widow, he is survived by two daughters, Mrs. Will Spivey and Mrs. Sidney L. Hunt, both of this city, and a brother, John C. Humes, of near Milroy. The funeral services will be conducted at the Methodist church Thursday afternoon at 2 o'clock, and burial will be made in East Hill cemetery.

ROOF OF THE K. OF P. BUILDING CAUGHT FIRE

Blaze Caused by Sparks From
Chimney Monday Evening Quick-
ly Extinguished

LOSS WILL NOT EXCEED \$10.

The fire department was called about five-thirty o'clock last evening to box 32, corner of First and Morgan streets, on account of a roof fire at the Knights of Pythias building, which had been caused from sparks falling upon the shingle roof.

The blaze was soon extinguished and the loss will not exceed \$10.

This is the second fire of the same nature within a few days, as the fire at the Martin Kelley home Sunday, was supposed to be caused by falling sparks.

The K. of P. building has been on fire several times before in recent years, caused by sparks or a defective flue.

FIRST OF SERVICES HELD

The first of the week of prayer services were held last night at the First United Presbyterian church and the sermon was delivered by the Rev. G. F. Sheldon, pastor of the First Presbyterian church. The speaker dwelt on the attitude of the present day church and pointed out ways in which it could be more efficient. Tonight's meeting will be held at the First Baptist church and the Rev. J. T. Aiken of the First U. P. church will speak.

NAMES MAN BACK OF THE FRAME UP

Capt. Karl Detzer Blames John Wier
For Effort Made to Convict
Him of Charges

SAYS JEALOUSY IS THE CAUSE

Man Accused is Assistant Judge
Advocate at Trial and Re-
lated in Indianapolis

(By United Press.)
New York, Jan. 6.—Capt. Karl Detzer today named John Wier as the man back of the alleged "frame up" to convict Detzer of inhuman treatment of military prisoners, while head of the department of criminal investigation of the American camp at Le Mans, France. Detzer's statement came after many intimations by the witnesses that charges against him were a "frame up."

An immediate recess was ordered while officers in charge conferred. Wier, Detzer said, is a descendant of a prominent attorney of Indianapolis and is assistant judge advocate at the trial.

Detzer said his troubles began at the time the congressional committee was in France investigating conditions in the A. E. F. That was in March, 1919.

Agents of the committee questioned many prisoners about the conditions in prison camps and as a result they were called murderers. He said from that time on it was impossible to do anything with the prisoners.

Can't action of the A. E. F. became a "hot bed" of the anarchists, Detzer asserted.

When questioned by members of the court to reveal the motive for the action of Wier in the alleged "frame up," Detzer attributed it to jealousy.

CIVIL WAR VETERAN DIES

James Harry, Born and Reared Here
Expired at Marion

Friends here have received word of the death of James Harry, who at one time made his home in Rush county, but who for the last few years has been making his home at the Soldiers Home in Marion. Mr. Harry was born in Laurel and was reared in this county, spending his time in this city, Carthage, New Salem, Milroy and Richland, the latter being his real home. He was a veteran of the Civil War and was a member of Company K, 37th Indiana. He was 75 years old, and is survived by three children, all of whom were born and reared in this county: Mrs. Ensminger of Cleves, O., Mrs. Stahl of Cincinnati and Vern Harry of Akron, O. The funeral services were conducted at the home last Saturday.

PRESIDENT CALLS MEETING

Washington Township Farmers Re-
quested to Convene Thursday Night

Fred Lightfoot, president of the Washington township branch of the Rush County Farmers Association has issued a call for a meeting of the township organization for Thursday night. The meeting will be held in the Raleigh hall at seven o'clock and all of the farmers in Washington township are urged by the president to attend, whether members of the county organization or not.

A prayer meeting will be held tomorrow evening at the home of Mrs. Mary Woods, 811 West Tenth street in the interest of the evangelistic campaign of the Salvation Army church.

RUSH SENDS THE BEST DELEGATION

Sixty or More Farmers From Here
Attend Livestock Conference in
Indianapolis Monday

FRED BELL MAKES SPEECH

President of County Association Al-
so Name Eighth District Member
of Permanent Committee

Rush county had the best delegation in the state at the meeting of Indiana livestock producers with the board of directors of the Indiana Federation of Farmers' associations, according to reports received here today. It is estimated that at least sixty Rush county livestock men, and possibly more, were in attendance.

Fred Bell, president of the Rush County Farmers association, was one of the speakers at the conference, which was called for the purpose of discussing ways and means of cutting down the overhead expense of marketing livestock. Direct shipment to the slaughter house was one remedy suggested for overcoming the heavy expense of yardage, freight feeding and commissions.

As the result of the conference, a permanent livestock committee was appointed, with one member from each of the ten districts into which the state is divided by the association. Mr. Bell was appointed a member of the committee representing the eighth district, which includes Rush county.

The sentiment was expressed at the meeting that so far as the war government officials on high prices had been concerned, the consuming public and the producers of live stock had been the "goats." It was pointed out that a decline of \$12 on a 100 weight for hogs cost the farmers of the nation hundreds of thousands in cold cash, many of these hogs being fattened on high-priced feed. It was declared that the consuming public had not benefited to any appreciable extent because of this decline, but that retail prices were practically what they were in the peak period.

Several speakers blamed Attorney General Palmer for urging a reduction of prices for live stock while everything that the farmer uses has not only held its level but in many instances has gone higher. The clearing bill of sale in the packers' investigation also was condemned by several speakers, and criticisms of points brought out by Governor Goodrich in a recent address made in the East were voiced. Among "unfair yards" were included the rules and regulations which prevented a farmer from feeding his stock with his own feed, the prevailing practice on commissions and the other "leaks" which brought the net income of the producer down to a lower figure than if direct dealing or a co-operative company controlled by the farmers existed.

John G. Brown, president of the federation, presided at the conference and Lewis Taylor, acted as secretary. The committee appointed to draft the recommendations which resulted in the decision to form a permanent live stock committee was composed of C. C. Fisher, Randolph County; Maurice Douglass, Shelby County; Lewis Carr, Knox County, and W. J. Lawson, Benton County.

Whether or not a co-operative live stock company is to be formed with headquarters at the Indianapolis stock yards with the ultimate purpose of conducting the business on a regular commission basis with a rebate based on the amount of live stock sent to the company, figured from the profits each year, is a matter that will be considered by the newly appointed live stock committee.

WARNS NATIONAL BANKER

Gov. Harding Says Discount Rate
Must Not be Further Increased

(By United Press.)
Washington, Jan. 6.—Governor Harding of the federal reserve board, today warned national bankers in conference here that a further increase in discount rates of the federal reserve banks is a contingency which must be revoked.

This was taken to mean that the government is nearly ready to contract credit and put a brake on speculation to bring business back to a peace time standing. It would mean officials say, that the nation's currency, which was vastly inflated during the war, would be contracted. This inflation has been the cause for some time of the high cost of living.

FARMERS TO MEET AT THE WEBB SCHOOL

Vill L. Brown, President of Rush
ville Township Association,
Calls Meeting For Friday

VILL SHOW MOVING PICTURE

Will L. Brown, president of the Rushville township branch of the Farmers Association, sent out invitations today to all members of the township organization for a meeting which will be held at the Webb school house on Friday night 7:30 o'clock. Moving pictures will be on the program and apples and cigars will be served. A sociable evening is anticipated and a business session devoted to the interest of the county organization will be held. Mr. Brown said this morning the organization is becoming stronger and stronger each day and its aims and purposes are so broad and unselfish that not only the farmers but those in every other business and each consumer as well will be benefited by the great good accomplished by this organization. Rush county, the best in the state, should be a hundred percent for it. Your presence at the meeting Friday night will mean that you are a booster.

G. O. P. MEETING IS TUNED UP FOR 1920

Harmony is Established at Banquet
Attended by Chairman Hays,
Gov. Lowden and Gen. Wood

HAYS' WORDS SIGNIFICANT

(By United Press.)
Chicago, Jan. 6.—The republican national meeting was tuned up for the 1920 campaign today.

The harmony was established by the National Chairman Hayes, Governor Lowden and Major General Wood and several women leaders at a banquet held here last night.

The speakers were unanimous on charges against the red revolutionists and others who seek to overthrow the American government.

The speech made by Hayes was taken as significant in that it outlined the explicit form of the question on which the republicans will "go to bat" during the 1920 fight. It included a fair representation for labor in all conferences of the nation close relations between capital and labor, with justice to both, sympathetic help for business during the economical reconstruction, plans for extending the payment of the war debt over a long period, federal regulation but no government ownership of the industries.

A nine pound girl has been born to the wife of John Murphy at their home in New Salem. The child has been named Ester A. Murphy.

DETTRICK RESIGNS AS COUNTY AGENT

lands Resignation, Effective Febru-
ary 1, to County Board of Ed-
ucation at January Meeting

ACTION IS A BIG SURPRISE

During Two Years Here, Detrick
Converts Many Opponents—
Will Operate Farm in Ohio

Marion F. Detrick, county agricultural agent, tendered his resignation to the county board of education at the regular January session yesterday afternoon, and the township trustees, who compose the board, were instructed to learn the sentiment in their respective townships regarding the employment of new agent. His resignation takes effect February 1.

Even though farmers generally were in favor of engaging another county agent, it is doubtful if one could be obtained as the demand in Indiana far exceeds the supply. At the present time there are six counties in Indiana, which want agents badly and are unable to get them.

The agents are generally recommended by the agricultural extension department of Purdue university, and the department now has many more applications than it can fill. A few months ago the county agent of Decatur county resigned and it has been impossible for the board of education to fill the vacancy. On the first of January the office was moved out of the courthouse, the board having decided it was useless to wait longer.

Mr. Detrick quit to take charge of his father-in-law's farm, near Bellefontaine, Ohio, where he formerly lived. He will move there soon after February 1.

"I have made this decision," Mr. Detrick said in his resignation, "because I have realized my ambition to operate a farm for myself." It was with much regret that many farmers learned today that Mr. Detrick had decided to leave. His resignation came as a big surprise because very few knew that he contemplated such a thing. The members of the Rush County Farmers association were aware of his plans and have been trying to persuade him to remain in the office, realizing that he was essential in the new association, which has been in existence only a few months but has given promise of being a very successful organization.

Farmers and others who have come in contact with Mr. Detrick have found him to be one of the most conscientious men of their acquaintance. He worked night and day and thought of nothing else except the business of his office. He put in almost every day at the office and had an engagement practically every night at a farmers' meeting. The days he was not at his desk he was engaged in field work.

Mr. Detrick, through his energy, tact and resourcefulness, has removed most of the opposition in this county to an agricultural agent. The majority of the farmers thought before he came two years ago, that an agent was for the purpose of showing them how to farm, when they had been in the business all of their lives and knew something about it themselves. They have found that an agent acts only in an advisory capacity and that he does not attempt to enforce his ideas on anyone. They have found that an agent by introducing new methods among farmers, who will accept them, can bring about improvements in farming and an increase in production. One of Mr. Detrick's most notable successes was the wheat seed testing station at the old county heating plant last fall.

HUN DEMAND IS REDUCED

Germany's Compensation to be 275,000 Tons Instead of 400,000

Paris, Jan. 6.—The supreme council has reduced the demand for docks and marine materials demanded from Germany for compensation for the sinking of the interned Scapa Flow fleet, from 400,000 to 275,000 tons, it was reported today.

This reduction is expected to insure the prompt signing of the protocol.

EAST FIRST

IS CALLED WORLD'S
GREATEST ORGANIST

Gatty Sellars, Who Will Appear in a Recital Here Tonight, Praised by European Critics

PERFORMANCE AT 8:30 P. M.

Gatty Sellars, world-famed organist, will appear in a recital at St. Paul's M. E. church tonight at 8:30 o'clock. The time is set for this as not to interfere with the week of prayer services. Speaking of Sellars, a European critic says:

With a full remembrance of visits paid by organists of national repute we have no hesitation in saying we have never listened locally to a greater executant than Gatty Sellars. One knew not whether the most to admire the phenomenal facility of his renderings—for movements whose technical subtleties would have appalled the more ordinary executant were rendered with unvarying smoothness and beauty of phrase or—the consummately artistic spirit with which he imbued them. Such's B. Major Fugue was finely executed, demonstrating his splendid pedaling, but there was something narrowly approximating diabolism in his "Variations and Fugato Finale on an Old English Air." With elaborate variations, played absolutely allegro furioso, it was indeed wonderful that such perfect phrasing should have been produced.

ADRIATIC SOLUTION?

Venice, Jan. 6.—Premier Nitti and Foreign Minister Scialoja of Italy went into conference in Downing street today with Premier Lloyd George and Lord Curzon. France, Great Britain and the United States have agreed upon terms of settlement for the Adriatic situation, it was reported, and Premier Nitti will be obliged to talk business in his conference with allied leaders.

SCIATIC PAINS
QUICKLY RELIEVED

Keep Sloan's, the World's Liniment handy to allay aches

THOUSANDS of men and women, when the least little rheumatic "crick" assails them, have Sloan's Liniment handy to knock it out. Popular a third of a century ago—far more popular today.

That's because it is so wonderfully helpful in relieving all external aches and pains—sciatica, lumbago, neuralgia, overstrained muscles, stiff joints, weather exposure results. A little is all that is necessary, for it soon penetrates without rubbing to the sore spot. Leaves no muss, stained skin, clogged pores. A bottle today is a wise precaution. Keep it handy.

All druggists—35c, 70c, \$1.40.

with the railroad bridge. The Meyer road is to be constructed of cement and will be about a mile and a half long on a township line, Union township lying on the south side of the road and Washington and Center on the north. It will connect the Fort Wayne pike with the Raleigh pike.

The Wissing and Mull roads are in Walker township and run through Vanilla from the north to the south. They are both to be built of gravel. The Mull road runs south from Manilla to the Orange township line and the Wissing road north to the Posey township line.

DETTRICK RESIGNS
AS COUNTY AGENT

Continued from Page One

Officers' and other prominent members of the county farmers association realized that he was indispensable in the organization and for that reason attempted to persuade him to remain. His office formed a center from which all activities of the association radiated.

Mr. Detrick converted scores of farmers who were violently opposed and others who were frankly doubtful about the need or value of a county agent. At first an effort was made to withhold appropriations by the county, allowed the office by law, but county officials have learned that the sentiment in the county has changed.

"I did not believe in a county agent," said one of the largest livestock producers in the county a few days ago. "I have found that I was mistaken and that he is one of the best assets the farmers of any county can have."

This about sums up the opinion of most of the farmers who were opposed to Mr. Detrick when he first came here. By refusing to make a fight against those who wanted to oust him, Mr. Detrick went on about his business and won many friends.

The officers, directors and township presidents of the county farmers association Saturday adopted a resolution urging the county council to appropriate the money for the county agent more promptly. The 1919 appropriation was made at the special session just before the end of the year, and the money for the agent for 1920 has never been appropriated having been omitted at the regular meeting last September.

PRICE

QUALITY

When you part with the amount of cash necessary to buy a manure spreader you have a right to expect a great deal. When you invest your money in the "Rushville Special" Spreader you get a good deal. We guarantee value received for every dollar you pay, and this against future conditions of every kind. Buy it now and take advantage of our prices. Don't starve your farm while you're making up your mind.

It is impossible to put the best of everything into anything and sell it at too low a price, because quality and price MUST go hand in hand. The "Rushville Special" Spreader comes from a factory producing the largest volume of spreaders anywhere in the world and our price is based on the quality built into this machine.

In buying a manure spreader you should not forget to take into consideration the cost of repairs and upkeep and the length of time it will last. Don't allow the penny near your eye to blind the dollar in the distance. Remember that the best, if you buy it at the right price, is the cheapest always in the end. The secret of the success of our Spreader lies in the results it gives both in work and in staying qualities, and remember it is not only guaranteed by us but by the factory. A written guarantee that means something.

Come in and examine the self-cleaning conveyor—the Bull-Dog Cylinder, the No-Choke Box, the steel construction and steel framework. Five years warranty time to absolutely guarantee. This means double or maybe three times that number of years of good hard service, if cared for. We can prove our case. Come and let us do it.

FOR SHERIFF

We are authorized to announce the name of Sidney L. Hunt of Rushville township, as a candidate for Sheriff of Rush county, subject to the decision of the Republican primary election on May 4, 1920.

Up to The Individual

Not until Americans as individuals cut down the present extravagant rate of consumption and unite to increase production will the existing unstable market conditions be remedied, the National Bank of Commerce in New York declares in its Market Letter in the January issue of its magazine, Commerce Monthly. It adds that although the reaction after the tension of war was much less violent in the United States than in any other combatant country, after the recovery of the first few months all that can be said is that industry has held its own.

"Only by decreased consumption and by increased production can a balance be reached at reasonable prices between supply and demand," the bank says. "Thus far, there has been very little application of this principle to individual conduct. Until such application is made, commercial activity will inevitably proceed at a ratio out of proportion to the physical volume of production, and the present unstable situation will continue."

"The volume of wholesale and retail trade, measured in terms of price, continues at a remarkable level, and is plainly outstripping production. Dealers all bear witness to the steady depletion of stocks, which manufacturers assert they cannot replace because of shortage of raw materials, and scarcity and restlessness of labor. There is no evidence of genuine economy of consumption, or of expansion of production of manufactured goods for the retail trade."

Another Danger Ahead

The country should look ahead, count the cost.

Otherwise it may look back later and catalogue the disasters.

With the farmers falling in wealth from years of increasing prosperity, there is grave danger of a slackening up in their efforts at production.

Could Not Eat or Sleep

Vinol, our Cod Liver and Iron Tonic, gave him appetite and felt like different man.

Ruston, La. — "I am a working man and got all run down so I could not eat, sleep or work. Vinol was recommended for my condition. It built me up so I eat well, sleep well, can work all day long and not feel tired. In fact, I feel like a different man since I took it." — JOHN H. WILSON.

"Men fret and worry." That's why they overwork, get nervous, all run down, have no appetite, and can "hardly drag around." Vinol creates a hearty appetite, induces sound sleep, invigorates the nerves, creates strength and quiets the nerves.

It is the beef and cod liver peptones contained in Vinol aided by iron and glycerophosphates which makes it such a famous blood maker, nerve builder and strength creator.

F. B. JOHNSON & CO., Druggists And Dispensaries Everywhere.

Sap and Salt

By BERT MOSES

Old age is a debt that has to be paid for being young.

Nothing is more restful to the nerves than a real good laugh.

The American mania is to see how quickly money can be spent after it is made.

No privilege enjoyed by women exceeds their inherent right to gossip over the back fence.

Hell must be getting ready for a lot of new tenants, judging by the first pages of the newspapers.

Hez Heck says: "There ought to be a good opening for some one to go into the breath-manicuring business."

The average farmer could reduce his acreage by one-third, and still feel no pinch whatever. And in view of the fact that since the beginning of the war they have been breaking all records, a reaction from fatigue would not be at all surprising.

There is no disguising the fact that a certain amount of foodstuff must be sent abroad, if we are not to contribute to the starvation of vast numbers of helpless people in Europe.

And if, in the midst of this insistent demand for food from foreign countries, our farmers could conclude that they need a deserved rest and reduce their acreage, disaster would inevitably follow.

Every one knows that the farmer came nobly to the front in the emergency of war and worked early and late to feed our armies and the world, and no one can deny that he is entitled to a rest.

But, can he afford to take it this season?

The call of humanity is as great today as it was two and four years ago, and it will not be materially lessened for some time to come.

Yes, we might write columns on the evils of wood alcohol booze. But what's the use? If a toper wants to die that is a quick and effective method, and he's sure to receive a "mention" in the press.

Now get busy on your new income tax. If you have a yearly income of a million dollars you can hand over the tidy little sum of \$663,030.00 to Uncle Sam. The old Boy is not a bit backward.

Nineteen twenty is a year of great possibilities. But there's an ocean of space between possibility and actuality.

Beware of the fellow who insists that he is as good as anybody else. You have his number from his own mouth.

COUNTY NEWS**Coon's Corner**

Mr. and Mrs. William Jackson and family of Anderson were the guests of Mr. and Mrs. Roscoe Linville and family Monday.

Seyeral from this vicinity attended the sale of Mrs. Ed Cox Thursday.

The Misses Bessie and Florence Clark are ill with the scarlet fever.

Miss Carlyle Emsweller spent a few days with Miss Louise Linville last week.

Mr. and Mrs. Raymond Sefton of Rushville are visiting Frank Moore and family a few days.

SEMI-CENTENNIAL CELEBRATION OPENS

Leading Educators of the Country. Feature Program of the Indiana State Normal School.

TOTAL ENROLLMENT IS 50,000.

Terre Haute, Ind., Jan. 6.—Leading educators of the country feature the program of the semi-centennial celebration of the Indiana state normal school which opened here today. The celebration will continue four days.

The school opened January 6, 1870, with fewer than twenty students. At various times since its foundation, the annual enrollment has been 3,000. The total enrollment exceeds 50,000 of whom 30,000 have graduated.

Among the college professors listed on the program are: Winthrop E. Stone, Purdue university; Robert I. Aley, University of Maine; William L. Bryan, Indiana university; E. B. Bryan, Colgate university; George L. Mackintosh, Wabash college; William F. Clark, Dakota State Normal; W. P. Morgan, Western Illinois State Normal; John E. McIlvrey, Kent State Normal College, Ohio; E. W. Bohannon, Minnesota State Normal; H. H. Seerley, Iowa State Teachers College and David Telnly, Illinois Normal university.

Governor Goodrich and L. N. Tines, state superintendent of public instruction, also will address the meeting.

ALEX HERDMAN SUGGUMBS

Former Rush County Farm Laborer Dies at Father's Home in Ohio

Word has been received of Corry Kiser of Union township announcing the death of Alex. Herdman, which occurred at the home of his father in Peebles, Ohio last week. His death was due to heart trouble. Mr. Herdman made his home in the community in Union township where he worked as a farm laborer, for a number of years. He was employed on Francis Thatcher's farm during the corn husking season until about December 1 when his health failed and he returned home. The funeral was held last Wednesday, according to the word received here.

In no region of the world is there such a variety of languages and dialects as in Yun-nan, China.

MEN AND WOMEN ARE NO OLDER THAN THEY FEEL

One of our leading doctors says, "Everyone, no matter what their age, can be healthy and strong. It is a case of take care of yourself."

"For want of Iron and Phosphates you may be old at thirty, nervous, thin, weak, and all-in, while at fifty or sixty, with plenty of Iron and Phosphates in your blood, you will feel young, full of life, vim and energy."

"Many a man and woman who ought to feel young are losing out simply because their blood and nerves are starving for want of Phosphated Iron. Lack of Iron and Phosphates makes men and women old long before their time, weak, run-down nervous wrecks."

"You will find that the strong, keen, forceful, successful men and healthy, rosy-cheeked, happy women are those whose blood and nerves are charged with Iron and Phosphates."

"Phosphated Iron makes new, rich red blood; renews nerve force and vitality, and increases my patients' strength and appearance one hundred per cent. Thousands of men and women who were 'all-in' have 'come-back' with astonishing health, strength and happiness by taking Phosphated Iron."

Phosphated Iron is put up in capsules. Do not take inferior pills or tablets. Ask for Phosphated Iron capsules. For sale by

Pitman & Wilson, the Druggists, and leading Druggists everywhere.

Our Daily Laugh

New and Bright Yarns That Will Tickle You and Will be Relished by Your Friends When You Repeat Them.

Papa Bronson, whose manner was diffident, was endeavoring to make the minister hear him plainly while speaking in whispers. The Reverend Pillgric was a bit deaf but a man of bombastic tendencies. Angelica Marie Bronson was being presented for christening and the fount was supplied with a small hose of the shampoo variety, and suddenly the anxious father noted that the nozzle, or sprinkler, had become detached. The Reverend, all intent upon himself, said to Bronson:

"The child's name, please?" Bronson, very nervous, whispered:

"Nozzle came off."

The minister leaned over and repeated:

"The child's name?" Bronson, in agony, gulped:

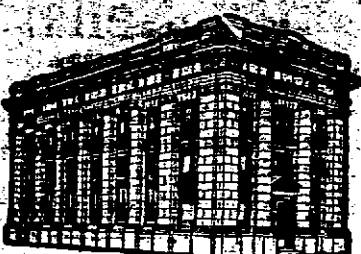

"I said the nozzle came off." And he pointed to the hose.

"I christen thee Nozzlecomeoff Bronson," said Pillgric in loud tones.

CASH PRIZE OFFER: A prize of \$1.00 will be awarded each contributor of a joke to OUR DAILY LAUGH which we accept. Only new jokes, those never before published, are considered. Contributions will not be returned unless stamped envelope bearing your address is enclosed. Mail stories to contest editor, Daily Republican.

HE FEELS LIKE A NEW MAN

Rheumatic pains, backache, pains in sides, sore muscles, stiff joints or an "always tired" feeling are usually symptoms of disordered kidneys. W. W. Wells, Toquig, Mich., writes: "I am on my feet most of the time and get tired. But after taking 'Foley Kidney Pills' I feel like a new man. I recommend them to my customers and have never heard of any case where they did not give satisfaction." Prompt action to relieve kidney troubles and bladder ailments. F. B. Johnson (Adv.)

**It Will Be A Merry Christmas and a Satisfactory Time Too**

For Everyone in the Family if

FATHER, MOTHER AND ALL THE CHILDREN ARE ENROLLED IN OUR

CHRISTMAS SAVING CLUB

It will be lots of fun to be a member. The young folks, especially the "kiddies" will enjoy saving and planning what they will buy with their own money when Christmas comes, as well as to save a certain amount for the rainy day.

Just a few pennies, nickels, dimes or more deposited weekly by each member of the family insures one and all a very merry and bounteous Yuletide.

We are organizing our Club now and will be pleased to have you and all of your family become members. You can deposit 1c or \$10.00 per week as your future plans may require.

It's easy to join. The first deposit makes you a full-fledged member. There's no red tape, fees or fines or deductions.

BOARD OF AGRICULTURE ELECT OFFICERS TODAY

Factional Fight Expected as There Has Been Some Dissension Over Expenditures

MANY CANDIDATES IN FIELD.

Indianapolis, Ind., Jan. 6—A factional fight within the state board of agriculture was expected to develop today at the election of members of the board. It is known there has been some dissension among the members over expenditures. The members are elected by the State Fair Managers' association, the members also voting.

George Y. Helper, state senator of South Bend, was out for the place of A. A. Gast, of Akron. Gast is a candidate for re-election and also a candidate for presidency of the board.

Frank H. Self, state senator of Corydon, asks that he be seated in the place of Charles N. Lindsay of Salem, who now is president of the board.

I. Newt Brown, superintendent of the fair, a former member of the board and also a member of the state pardon board, is a candidate for the vacancy to be left by L. B. Clore of Franklin.

Amusements

"The Clouded Name" at Mystic

In "The Clouded Name," the new World picture with a cast headed by John Lowell, with Corene Uzzell and Edgar Keller, which is the attraction at the Mystic theatre today, the heroine, Edith Barnett, although she loves Bill, will not consent to marry him on account of his reluctance to tell who his parents are and also because of the rumors which are going the rounds of the lumber camp as to the sort of life the man is living among the lumberjacks.

But in the end, Bill's identity is cleared up in a very unexpected manner, and the man to whom Edith has just been married is shot through a window by a dance hall girl whom he had promised to take into a decent life. Thus things can end up happily for the two principals.

"The Clouded Name" is a tense drama of the snow-covered northern timber forests, with a gripping plot running through it and the north country in winter as a fitting background.

Mitchell Lewis will be seen in a six-reel special, "Nine-Tenths of The Law" at the Mystic tomorrow.

"The Hell Cat" Here Tonight

Brilliantly Geraldine Farrar made her debut in Goldwyn Pictures and brilliantly she continues. Her second appearance is made in "The Hell Cat," which comes to the Princess Theatre tonight and the play bids fair to be the most powerful vehicle, the international celebrity has ever had.

Geraldine Farrar is Pancha O'Brien, daughter of a Wyoming sheep raiser, who is loved by Sheriff Jack Webb. There is another, one Jim Dike, a squaw man, who would possess her. She rebuffs him repeatedly.

At night he comes to the O'Brien ranch and shoots down Pancha's father. The girl puts up a terrific fight and proves that she is a veritable hell cat. Dike, however, carries her away to his ranch.

Dike's squaw steals into Pancha's room, intent on stabbing her, but when Pancha explains the Indian knows that it is Dike who must be punished. She dashes off to tell the sheriff. In order to win Pancha back to responsiveness, Dike offers to marry her and take her East. The girl consents.

TIME COME FOR SOME POLICY TOWARD RUSSIA

Critical Russian Situation One of Most Pressing Questions Before Allied Leaders

EITHER WAR OR PEACE NOW.

London, Jan. 6—The critical Russian situation brought to a head by the recent overwhelming successes of the Soviet government, is one of the most pressing questions before the allied leaders in Paris this week.

In British official circles it was agreed that the time has come where the allies must announce some definite policy toward Russia. The defeat of General Denikin and Admiral Kolchak's armies has removed the last allied opportunity for an indirect military action against the Soviet government.

The allies now must either make war themselves or act to obtain peace.

On the way to Cheyenne Sheriff Jack Webb and his posse spring from behind rocks and cover Jim Dike with their guns. The cattleman sits in the backboard, stiffly erect. The posse approaches. He topples over, dead, with the dagger Pancha had wrested from the Indian in his heart.

Woman's Faith Helps Husband

"I owe my good health to my wife who had faith in a newspaper ad she saw of Mayr's Wonderful Remedy. I was down so badly with stomach and liver trouble after 15 years of suffering and trying every known remedy that I had no faith in anything. This medicine has certainly been a 'God-send' to me." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At Drugists Everywhere.

(Adv.)

Buy Your Ford Car Now

To make sure of getting a Ford car, buy one now. Don't wait until spring but buy now while deliveries are possible. Even next month is an uncertainty.

The number of Ford cars allotted to this territory is limited and specified. Even to get our allotment, we must have real, bona-fide orders for cars. Just so many cars allotted to us; just so many will get cars; will you be one of them? Those who order their cars now will be protecting themselves. If you would be forehanded get your name on an order today.

Don't think you cannot use it if you get it now. The four seasons are all alike to the Ford car. It is a necessity every month of the year. Besides, the Ford car is lowest in upkeep cost and easiest in operation. And the new Ford electric starting and lighting system makes driving more convenient. Your order for either open or enclosed cars will have our prompt attention.

MAKERS OF SCOTT'S EMULSION

leader of the meeting. A very instructive paper was read by Mrs. Allen on "Our Soldier Dead in France," it being followed by a guessing contest. Two guests were present for the meeting. At the close of the program delicious refreshments were served. The next meeting will be in two weeks at the home of Mrs. J. T. Paxton in West Seventh street.

The annual reunion of the Fletcher family was held Sunday at the home of Mr. and Mrs. Marion Fletcher. The day was spent socially with music. At the noon hour a delicious three course turkey dinner was served to the following guests: Mr. and Mrs. Claude Fletcher, Mr. and Mrs. Frank Fletcher, Mr. and Mrs. Harry Fletcher, Mr. and Mrs. Oliver Fletcher, Mr. and Mrs. Jeff Fletcher and family, Mr. and Mrs. Conrad Posz and the Misses Dora and Vashti Fletcher, Ethel and Julia Posz, Louisa Fletcher and John Fletcher and Francis Fletcher.

Miss Hannah Morris entertained the members of the Tri Kappa sorority last evening at her home in East Fifth street. During the business meeting the president appointed a program committee, charity committee, social committee and nominating committee, and it was

RHEUMATISM LIKE A MULE

You've got to coax it to make it go. "Neutrone Prescription 99" will start the most stubborn and dogged case of rheumatism.

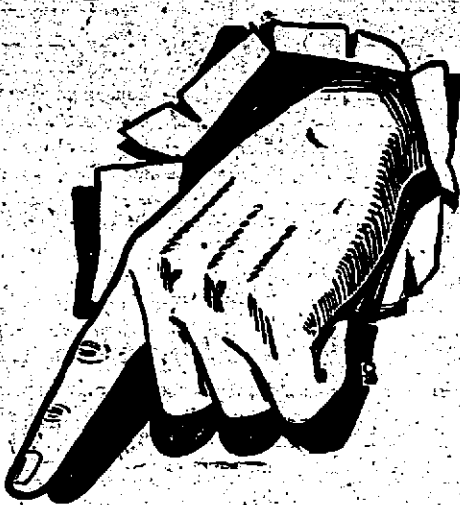

We have witnessed its effectiveness in hundreds of cases, it does things.

"Neutrone Prescription 99" is entirely different from the old preparation in that it aims at eliminating all rheumatic poisons by purifying the blood, common sense teaches you this.

It removes those awful pains, limbers up those swollen, stiff joints and muscles in a way that will surprise you. Get a bottle today, get the old stuff out of your system. For sale by

also announced that the sorority took in over \$300 from the sale of Red Cross Christmas seals, during the Christmas season. The out-of-town guests present were Mrs. Verne Simmons of Anderson, Mrs. Frank Cannon of Greencastle and Mrs. Neff Ashworth of Madison, Wis. At the close of the meeting the hostess served a delicious course luncheon.

A number of friends completely surprised Mr. and Mrs. Elmo Hires at their home near Glenwood Saturday night. The guests enjoyed a pitch-in supper and the remainder of the evening was spent in games, music and dancing. The guests were Mr. and Mrs. Earl Buff, Mr. and Mrs. Elmer Darnell, Mr. and Mrs. Forest Brooks, Mr. and Mrs. Louis May and daughter Pauline, Mr. and Mrs. Nick Myers and daughter Mildred, Mr. and Mrs. James Peterson, Mr. and Mrs. Harry York and son Harold, Mr. and Mrs. Carlton Chaney, Mrs. Thomas Reed, Mrs. Emma Timberman and son Leonard, Dan Laughlin, Ray Carpenter, Charles and Demp Chaney, Edgar Ruff and Mabel Smith.

ADDITIONAL SOCIETY

Miss Helen Frazer entertained with a party last week-end at the home of her parents, Mr. and Mrs. Jesse Henley at Carthage. The guests were the Misses Margaret and Edith Evans of Indianapolis, Marian Mains of Seymour, Isadore Rath of Fairmount, Helen Calvert of Selma, Ohio, Mildred Clark of Washington, D. C. and Harriet Rawls of Carthage. The young ladies are all students at Earlham college, excepting Miss Edith Evans who is a student at Swathmore. During their stay Miss Rawls entertained the party with a breakfast and turkey dinner on Sunday at her home. The girls returned to Richmond, Sunday night to resume their studies after the holidays.

Miss Cecile Whitton entertained several of her friends at her home near Palmyra Saturday evening with an informal party. The hours were spent with games, music and card playing. At the close of the evening, delicious refreshments were served. The guests present were the Misses Freda Custer, Ava Ging, Eva Richardson, Dorothy Davison, Amy Hamon, Margaret Dickson, Maxine Vandevanter, Juanita Cummins, Mary Louise Darnell, Gladys and Helen Groves, Edith Richardson, Ruby Dickson, Katherine Hamon and Walter McElfresh, John Looney, Ernest Stuckey, Russell Dora, Carol Baker, Loyd Kinder, Claude Adams, Doris Darnell, Wayne Groves, Raymond Dickson, Jesse Vandevanter, Sam Hamon, Clifton Hamon, Robert Huntington and John Baker.

About forty friends of Mr. and Mrs. Russell Ruff gathered at their home near Glenwood and surprised them Friday night. The guests were entertained with games, music and dancing and at a late hour a delicious pitch-in supper was served. Those present were Mr. and Mrs. Jesse Peters and daughter Alice, Mr. and Mrs. Dan Laughlin, Mr. and Mrs. Nick Myers and daughter Mildred, Mr. and Mrs. Harry York and son Harold, Mr. and Mrs. Carlton Chaney, Mr. and Mrs. Earl Ruff, Mr. and Mrs. Elmo Hires and family, Mr. and Mrs. James Peterson, Mr. and Mrs. Elmer Darnell, Mr. and Mrs. Forest Brooks, Mrs. Thomas Reed and the Misses Edna Ruff, Louisa Chaney, Mabel Smith and Herman Hinchman, Roger Kennedy of Carthage, Harold and Charles Chaney, Kirby Smith, Ray Carpenter and Edgar Ruff.

ADDITIONAL PERSONALS

Continued from Page 3.

Miss Brenda Kinsinger will return tomorrow to Elmhurst at Connersville, after spending the Christmas holidays with her parents, Dr. and Mrs. J. B. Kinsinger of this city.

Harold Beaver, Ralph Hackleman and Harold Perkins, Wabash college students who spent the holidays here with relatives, have gone back to Crawfordsville to re-enter school.

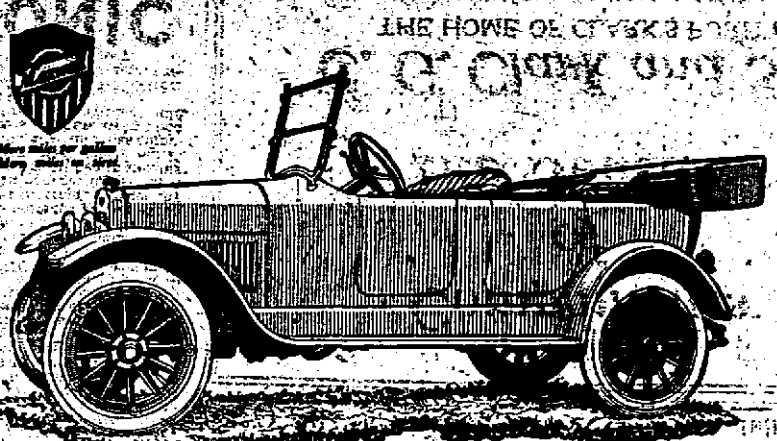

Miss Helen Frazer has returned to Oxford, Ohio, where she is a student in Western college, after spending the vacation here with her parents, Mr. and Mrs. Charles A. Frazer.

Mr. and Mrs. Harry Cryer of Cincinnati were the guests of friends here Sunday. Mr. Cryer returning home and Mrs. Cryer going to Indianapolis yesterday for a visit before returning home.

The Misses Gladys Bebout, Lois Rieve and Katherine Giffin have gone back to Greencastle, after visiting home folks here during the holiday vacation, to resume their studies in DePauw university.

Mr. and Mrs. E. Envor, Gibson and Capt. and Mrs. J. A. Tench of the Salvation Army, will go to Indianapolis Thursday morning to Ream Commander Evangeline Booth, who will be there Tuesday and Friday.

Fine Metals Have Given Maxwell its Rank

THE very substance of which a car is made denotes its quality, and the use of fine and strong metals in the Maxwell has won it many, many friends.

It was necessary to make the Maxwell chassis of the very best materials. For its great mission was to transport—in an extremely economical way—as great a passenger load over the same road and at the same speed as the larger and heavier cars.

Thus it was obvious that the Maxwell had to be light. And to make it light the quality metals were used.

Metallurgists, the men who have made the study of metals a science, say that it compares favorably pound for pound with the highest priced cars the world has produced.

But you need not be a metallurgist to discover this "inner goodness" in a Maxwell. Three months will tell; six months will tell you more.

Otherwise Maxwell in five short years would never have grown from a production of 5,000 a year to 100,000 a year.

300,000 Maxwells on the highways of the world today answer most any question you can ask about this great car. Price, \$985 f. o. b. Detroit.

Oneal Bros.

The Misses Dorothy Sparks, Katherine Wyatt, Dorothy Mulno, Margaret Ball and Mary Louise Bliss have returned to Bloomington where they are students in Indiana university, after spending the holiday vacation here with home folks.

KNIGHT TEMPLAR MEETING

Rushville Commandery No. 49 K. T. will have installation of officers Wednesday evening followed by the conferring of the Red Cross degree. A smoker will end the evening's festivities. Sir Knights are requested to be present promptly at 7:30.

Bad Sickness Caused by Acid-Stomach

If people only realized the health-destroying power of an acid-stomach—the many kinds of sickness and misery it causes—they would guard against it as carefully as they do against a deadly plague. You know in an instant the distressing signs of acid-stomach—painful indigestion, distressing, painful bloating, sour, gassy stomach, belching, food repeating, heartburn, etc. Whenever your stomach feels this way, you should lose no time in putting it to rights. If you don't, serious consequences are almost sure to follow, such as intestinal fermentation, auto-intoxication, impairment of the entire nervous system, headache, biliousness, cramps of the liver, sometimes even attacks of the stomach and intestinal ulcers and cancer.

If you are not feeling right, see if it is acid-stomach that is the cause of your trouble. Take EATONIC, the wonderful modern stomach remedy. EATONIC Tablets quickly and surely relieve the pain, belching and heartburn that indicate acid-stomach. Make the stomach strong, clean and sweet. By keeping the stomach in healthy condition so that you can get full strength from your food, your general health steadily improves. Results are amazingly quick. Just try EATONIC and you will be as enthusiastic as the thousands who have used it and who say they never dream of anything else bringing such marvelous relief.

So get a big 50-cent box of EATONIC from your druggist today. If not, address factory, 1000 E. 12th St., Cleveland, Ohio.

EATONIC
(FOR YOUR ACID-STOMACH)
